THE STATE OF NEW HAMPSHIRE

TOWN OF STRATFORD

2000 TOWN MEETING WARRANT

To the inhabitants of the Town of Stratford in the County of Coos qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall on Tuesday, March 14, 2000 at 10:00 a.m. to act on Articles: 1 through 23.

The polls will be open at 10:00 a.m. and will close at 7:00 p.m.

Article 1. To choose by non-partisan ballot the following Town Officers:

- One Selectman for Three Years
- One Town Clerk for Three Years
- One Treasurer for Three Years
- One Trustee of Trust Funds for Three Years
- One Library Trustee for Three Years
- One Moderator for Two Years
- One Supervisor of the Checklist for Six Years
- One Cemetery Trustee for Three Years

Article 2. To see if the Town will vote to raise and appropriate the sum of \$511,312 for the operating budget and, if not, to see what sum of money the Town will vote to raise and appropriate to defray Town charges for the ensuing year.
(Board Recommends Appropriation)

Article 3. To see if the Town shall accept the provisions of RSA 202-A:4-c providing that any Town at an annual meeting may adopt an article authorizing indefinitely, until specific recission of such authority, the public library trustees to apply for, accept and expend, without further action b the Town Meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year.

Article 4. To see if the Town wishes to amend the existing agreement under Section 218 of the Social Security Act by excluding the services performed by election workers for a calendar year in which the remuneration paid for such services is less than \$1,000. The \$1,000 limit on the excludable amount of

remuneration paid in a calendar year for the services specified in this modification will be subject to adjustment for calendar years after 1999 to reflect changes in wage in the economy without any further modification of the agreement, with respect to such services performed during such calendar years, in accordance with Section 218(c)(8)(B) of the Social Security Act.

Article 5. To see if the Town will vote to raise and appropriate \$10,000 for the repair of the Town's water fountain located opposite the railroad station. (Board Does Not Recommend Appropriation)

Article 6. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to refurbish some of the Town record books. (Board Recommends Appropriation)

Article 7. To see if the Town will vote to raise and appropriate \$5,000 to replace the Center Cemetery fence. (Board Recommends Appropriation)

Article 8. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be added to the previously established Capital Reserve Fund for the Grand Trunk Railroad Station. (Board Recommends Appropriation)

Article 9. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to the already established Stump Dump Capital Reserve Fund. (Board Recommends Appropriation)

Article 10. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 to be added to the previously established Capital Reserve Fund for the Stratford Fire Departments. (Board Recommends Appropriation)

Article 11. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to the previously established Capital Reserve Fund for the Stratford Ambulance Corp. (Board Recommends Appropriation)

Article 12. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to be added to the previously established Highways and Bridges Capital Reserve Fund. (Board Recommends Appropriation)

Article 13. To see if the Town will vote to raise and appropriate the sum of \$500.00 in support of the Sta-North Economic Development Corporation. (Board Recommends Appropriation)

Article 14. To see if the Town will vote to raise and appropriate \$5,562 for the support of Northumberland Ambulance Service and to authorize the Selectmen to sign and agree to the terms and conditions of the ambulance service contract. (Board Recommends Appropriation)

Article 15. To see if the Town will vote to authorize the Selectmen to enter into a lease agreement for the purpose of leasing a cruiser for the Police Department and to raise and appropriate the sum of \$5,000.00 for the first year's payment for that purpose. (Board Does Not Recommend Appropriation)

Article 16. To see if the Town will vote to raise and appropriate the sum of \$775.00 for Community Mental Health and \$225.00 for Developmental Service for the Upper Connecticut Valley Mental Health Service. (Board Does Not Recommend Appropriation)

Article 17. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for the Upper Connecticut Valley Home Health Services. (Board Recommends Appropriation)

Article 18. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the Upper Connecticut Valley Hospital to help defray the costs of providing emergency services at the hospital. (Board Does Not Recommend Appropriation)

Article 19. To see if the Town will vote to raise and appropriate the sum of \$1,625.00 for the support of the Tri-County Community Action Program. (Board Recommends Appropriation)

Article 20. To see if the Town will vote to raise and appropriate the sum of \$300.00 and authorize donations of \$50.00 per organization not school sponsored, if requested, in support of athletic teams within the Town. (Board Recommends Appropriation)

Article 21. To see if the Town will vote to raise and appropriate the sum of \$983.00 to participate in 2000 Household Hazardous Waste collection by North Country Council. (Board Does Not Recommend Appropriation)

Article 22. By Petition, "To establish an annual Town of Stratford scholarship for students (5) of Stratford School in their second semester of higher education by raising and appropriating \$1.00." (Board Does Not Recommend Appropriation)

Article 23. To transact any other Business that may legally come before said meeting and to hear reports from any agents or committees heretofore chosen.

Given under our hands and seal this 21st day of February in the year 2000.

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Stratford
Stratford, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Stratford as of and for the year ended December 31, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Stratford has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Stratford as of December 31, 1999, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

The Unaudited Supplementary Information on page 24 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it. In addition, we do not provide assurance that the Town of Stratford is or will become year 2000 compliant, the Town of Stratford's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Stratford does business are or will become year 2000 compliant.

Town of Stratford
Independent Auditor's Report

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Stratford taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents and the additional supplemental information labeled Schedules I through VI in the table of contents are presented for purposes of additional analysis and are not required parts of the general purpose financial statements of the Town of Stratford. In addition, the information included in the summary of principal and income of the Trust Funds presented as Schedule VI is prepared on the cash basis which is a comprehensive basis of accounting other than generally accepted accounting principles. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Members of the
Board of Selectmen
Town of Stratford
Stratford, New Hampshire

We have audited the financial statements of the Town of Stratford as of and for the year ended December 31, 1999, and have issued our report thereon which was qualified as indicated therein dated February 2, 2000. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Town of Stratford's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants; noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance that are required to be reported under *Government Auditing Standards* which are described below:

Noncompliance With State Statutes Regarding Tax Lien Procedures

During our audit of the Tax Collector's records, we found the following State Statutes had not been complied with:

1. RSA 80:70 Notice of Redemption - states "when full redemption is made, the Tax Collector shall within 30 days after redemption notify the Register of Deeds of the act."

Our testing indicated several instances during 1999 where notice to the Register was not given within the required 30 days.

Town of Stratford

Report on Compliance and on Internal Control over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

2. **RSA 76:11-b Notice of Arrearage** - requires that a summary of all uncollected/unredeemed taxes be mailed within 90 days of the due date of the final tax bill.

Our testing indicated that these notices were not mailed out within the required 90 days of the due date of the final tax bill.

We recommend that the Tax Collector take the necessary steps to ensure that compliance with the State Statutes is achieved.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Town of Stratford's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted certain matters involving the internal control over financial reporting and its operation that we consider to be reportable conditions. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgement, could adversely affect the Town of Stratford's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. Reportable conditions are described as follows:

General Accounting Records

Additional time was spent by the auditors in reconciling the books and records of the Town. Reconciliations between the Treasurer, Tax Collector, Town Clerk and the general accounting system were not performed during the year. Reports provided to the auditors for cash receipts and disbursements needed to be analyzed in order to properly prepare the financial statements. We have spent significant time in training the individuals involved and recommend that reconciliation of the general accounting records be performed on a monthly basis. Also, we recommend the documentation detailing this work be forwarded to us for inspection each month to ensure that these problems do not recur.

Tax Collector

The Tax Collector and auditors spent additional time reconciling the Summary of Tax Accounts and Summary of Tax Lien Accounts, Form MS-61, at year end. This was due primarily to the clean-up of prior year problems relating to the Town's revaluation and the need to properly record current year adjustments made throughout the year.

Town of Stratford

Report on Compliance and on Internal Control over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

It was also noted during our examination of the Tax Collector's records that a monthly reconciliation between the Tax Collector, Town Treasurer and Bookkeeper was not always being performed. We recommend that the Tax Collector confirm the remittance totals with the Town Treasurer and Bookkeeper on a monthly basis prior to completing reconciliation of the Form MS-61.

Water Fund

Billings are prepared on a quarterly basis and collected by an employee of the Town, and then any uncollected water rents at year-end are committed to the Tax Collector. During our examination of the water fund records, it was noted that none of the quarterly billings and abatements/adjustments are being approved by the Board of Selectmen.

We recommend that the quarterly water billings and any necessary abatements/adjustments be properly approved by the majority of the Board of Selectmen to improve internal accounting controls.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses.

This report is intended solely for the information of management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

NORTH STRATFORD NH. 03590

Stratford Ambulance Town Report:

From January 1, 1999 to December 31, 2000 Stratford Ambulance responded to 37 requests for services. At this Time Tracy Walling, Janet Washburn, and myself are primarily the people on the Corp. Lynda Paquette helps us out when she is in the area and Jennie Hakey is preparing to send for her Licenses, she completed her EMT class this past spring has tested and will be on our crew.

I would like to thank those of you who do support the ambulance service and encourage anyone interested in becoming an EMT and joining our crew to please feel free to contact me if you have any questions regarding taking a course.

I'd also like to mention that it's been a pleasure to be working as closely as we are with the Groveton Ambulance Crew as our back up and for their coverage when we haven't had enough people to go on the run from Stratford Crew.

Respectfully Submitted

Dear Citizens of Stratford

Once again it has been a busy but exciting year for Stratford, but not one without experiencing growing pains. In the long run, these growing pains have put the Town in a better financial position, as well as catching up on months (and sometimes years) of complacency.

To get the Town on the right track, the Board of Selectmen took the initiative in 1998 to seek advice and recommendations of the CEO of First Colebrook Bank. The message to us was loud and clear—collect the extraordinary number of delinquent taxes and pay off outstanding debt to the bank. We diligently complied with these recommendations.

With the help of the Tax Collector, a total of \$112,679.13 plus interest was collected from delinquent taxes dating between 1991 and 1997. The money taken in by the Town has allowed for a \$197,072 surplus, versus last year's surplus of \$7,545.

The Board of Selectmen signed for a new line of credit to pay off existing debts, fostering a good credit rating for the Town. The Bank extended the time of the note to the end of 1999. However, we were able to pay off the full amount in July 1999 and remained debt-free through the end of the year.

Within the community, many civic-minded activities occurred. The Board of Selectmen formally recognized the newly established Cohos Historical Society, which encompasses the towns of Bloomfield, Brunswick, and Stratford. To gain the recognition of the State, the Society is under the umbrella of Sta-North Economic Development Corporation.

The Beautification Project sponsored numerous activities around Town. It supported the school in the North Country AmeriCorps annual North Country Day of Service in a variety of tasks done to beautify the communities of Bloomfield and Stratford—we plan to participate again this spring. Two main activities of the Project included planting flowers in planters throughout Town and providing greens to the school for students to make sways and wreaths to hang around Town. Other activities included a live nativity scene, a mitten tree, lighting of the Common and Hollow Memorial Park, and making a skating rink at the Common.

In addition, the Beautification Project submitted a grant proposal to North Country Council to secure funds toward the restoration of the Grand Trunk Railroad Station. Out of 113 applicants, we placed within the 25 project cut-off line.

Our community now hosts a 4-H Club, with 10 enthusiastic young members. The North Stratford Market sponsored a second annual street dance on the Common. The VFW placed a Memorial Tree on the Common. And thanks to the Stratford Nighthawks and North Country ATV clubs working together, our Town is benefiting from revenues that are a direct result of their endeavors.

Along with all of the above noteworthy strides the Town has taken, it should be noted that although we received a few citations from the auditors, they—along with the CEO of First Colebrook Bank—have commented favorably on the positive direction in which the Town is currently going.

Good times, unfortunately, are accompanied by sad times. We were saddened by the passing of Louella Scott, Paul Johnson, Ottlee Gilbert, Victor Bruno, Michael Bilodeau, Norman Stone, Gloria LaCasse, Peter Bernard, and Harvey Raymond. Our neighboring community, as well as us, felt the loss of Annette Couture and Cora Smith.

Respectfully Submitted,

Elizabeth Macdonald, Chairman

TOWN OF STRATFORD

Report of Trustees of Stratford Libraries

We saw enormous growth and change for both town libraries in 1999. In January we experienced water damage at Laura Johnson library due to a frozen water pipe in the Fire Department kitchen. Many volunteers and hours were put in taking a full inventory of the damage and we appreciate all your help. We have been replacing inventory and have new furniture of which we are very proud. Both libraries have complete computer systems with Internet access. We invite everyone to come visit and explore the wonders of cyberspace.

We applied and received a grant from the Children's Literacy Foundation at a cost of \$ 300.00 which yielded us 75 new books for children (ages 5 - 14) with a total value of 1,300.00. The presentation conducted by Duncan McDougal from the Children's Literacy Foundation was held at Stratford School gym on October 28th and was very well attended.

We have increased our circulation by 40 percent this year and hope we'll see continued growth in the new millennium. Lots of new books were added to our shelves this year (fiction, , non-fiction and juvenile) and we encourage you to ask us about getting books by your favorite authors if you don't see them on the shelf.

STRATFORD POLICE DEPARTMENT

The Stratford Police Department has gone through some more changes again this past year. First of all, on behalf of the Police Department, I would like to thank the citizens of Stratford for your support during this past year. It has been a very busy year for a part time police department. I am hoping for your continued support this year.

The police department has hired three new police officers. These officers have been to school and now are in training. Also this past year the department was able to have duty during the weekdays for an average of 16 hours. The department was also available for most of the calls for service in Stratford during the off-hour times.

The department had very good community interactions this past year. The Colebrook Kiwanis donated bicycle helmets. The police department sponsored a middle grade school dance. The department also had a seat belt challenge in the school and took a team of four to Concord for the state competition. The Police department also received a grant from the Federal Highway Safety for an in cruiser video system. The Stratford Police Department also sponsored one child in operation Santa Clause, as well as get together with the community businesses and help out two needy families in Stratford at Christmas time.

On the following page is the activity for the police department for the year of 1999. Again, on behalf of the Stratford Police Department, I want to thank the citizens of Stratford for your support.

Respectfully Submitted,
Timothy Gould

A Message to North Country Council Member Towns

From Preston Gilbert, Executive Director

In our 26th year of operation North Country Council continues to work diligently for our members and the region as a whole. To most communities our greatest familiarity is the local assistance we provide in community planning. This year we have been very busy with master plans, land use control ordinances, community designs and site reviews in most if not all North Country towns. In addition, we have also been extremely busy providing local technical assistance on solid waste management, economic development, infrastructure development (water, sewer, utilities and telecommunications), GIS, and transportation projects at the local level.

In response to local needs and national priorities we are actively involved in watershed planning and conservation. We have represented the interests of our Eastern Coös County communities along the Androscoggin as the Androscoggin Watershed Council has been formed. We also have been working on behalf of all of our Connecticut River / Connecticut Lakes towns on River Management, Scenic Byways and Hydro Relicensing efforts with FERC. On the Ammonoosuc Watershed we have been working with local leaders and DES Officials in the creation of a regional wetland bank. Lastly, we have started a program to address Source Water Protection in several watersheds in the North Country.

In economic development, we have conducted two region – wide studies. We completed a Labor Characteristics and Needs Study, which was followed by a second study that evaluated Livable Wages in the region; both studies are available in our office. We continue to expand facilities and services in our Business Resource Center this year with more data, equipment and seminars. The last half of the year was very intense with the Council playing a critical role in the resurrection of the Mountain View House in Whitefield. EDA Public Works Projects are underway in four communities at total funding in excess of \$6 million.

In transportation, we have one Corridor study underway between exits 35 and 44 on I93, another underway along the total length of Route 2 from Shelburne to Lancaster, and a proposal pending for a third effort in Plymouth on Route 25. Route 16 projects are moving forward with local pilots underway in Albany and Madison. In addition, study-identified projects are making their way into the TIP and TE process. We also helped to move the Ten-Year Highway Plan and Transportation Improvement Plan along in its biennial process. We have also solicited, reviewed, and ranked Transportation Enhancement Projects for state funding. We also continued to organize activities on the 565 miles of Regional Scenic Byways and secured funding to make improvements on the national and state Byways in the North Country. Under our new expanded services contract with DOT we have been doing all state traffic counts in the region as well as official road inventories. We also will be involved in project development at the DOT at a much greater level.

From the standpoint of the entire region, we have been coordinating a 57 town - US Forest Service Coordination and Policy Development Committee as well as providing support to the State Commission on Land and Heritage. Last, but certainly not least, we have been working with our 3 County Members to seek opportunities for joint ventureship between them. It has been a busy year indeed.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

January 31, 2000

To whom it may concern:

Sta-North Economic Development Corporation is requesting that the Selectmen of the Town of Stratford insert a warrant article into the town warrant to set aside funding at the March Town Meeting. We are requesting funds in the amount of \$500.00 for Sta-North.

Sta-North will continue to promote Economic Development throughout Stratford, Groveton, and Stark during the next year. Your funding is important to us because it shows our supporters that the Town of Stratford and Sta-North are working together to promote economic development in our hometowns.

Thank you in advance for your support. Please call the Sta-North office with any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads "Sandy Boutin".

Tri-County Community Action Program

Serving Coos, Carroll & Grafton Counties

4 Pleasant Street, Colebrook, NH 03576

603-237-8168 FAX 603-237-8168

December 28, 1999

Selectmen for the Town of Stratford

Dear Selectmen,

Tri-County Community Action is requesting \$1,625.00 in funding from the Town of Stratford to help support its Community Contact Program. Community Contact has provided services for 183 households to include fuel assistance and other Community Action Programs.

**TRI-COUNTY COMMUNITY ACTION HAS SPENT \$41,055.00
STRATFORD CITIZENS BETWEEN JULY 1, 1998 AND JUNE 30, 1999.**

Community Contact provides necessary services for the less fortunate citizens in our communities, who would otherwise have to seek help from the town. We are depending upon funding from your town and neighboring communities county wide. The local funds are combined with the Community Services Block Grant, Fuel Assistance and NH Emergency Shelter Grant, Homeless Programs and FEMA. We also are the conduit through which the USDA Surplus food gets distributed to food pantries, including our own, throughout Coos County in order to serve our residents.

If you have any questions, please don't hesitate to give me a call.

Sincerely,

Larry Enman,
Community Contact

January 21, 2000

Office of the Selectman
Town of Stratford
North Stratford, NH 03590

Dear Selectmen:

UCVH has attached two articles which we request be placed on your town meeting warrant. The requests are on behalf of UCVH Emergency Services and UCVH Home Health Services. The nature of each operation and the reason for the request is outlined below.

UCVH Emergency Services:

The Emergency Department at UCVH is open 24 hours a day, 365 days per year. There is an in-house physician or physicians assistant assigned daily solely to the duties of the emergency department and walk-in clinic. The emergency department must have available expensive equipment and well-trained ancillary personnel. This department annually operates at a deficit, but because of its essential nature, it is a service that the hospital must continue to provide. In order to increase the volume (about 3,500 visits per year), the hospital opened the walk-in clinic in 1993 and it too has generated about 2,900 visits per year. However, these combined visits do not generate sufficient revenue to meet the operating expenses of that service. Therefore, each year the hospital requests that the communities that so vitally need this service, assist us at town meetings by raising the requested funds to help offset this loss.

UCV Home Health Services:

Upper Connecticut Valley Home Health, formerly known as Northern Coos Community Health Association, became a department of UCVH in 1993. Although it is part of the hospital, services continue the same as before. Services provided are skilled nursing, rehabilitation, homemaker/home health aide and maternal/child health care. Services are reimbursed by Medicare, Medicaid, private insurance, federal and state contracts, and for those who cannot afford to pay. This represents a considerable amount (approximately \$40,000 per year) and a request is made to the towns served for assistance in providing these vital services.

As always, the Upper Connecticut Valley Hospital appreciates the support and assistance given to these services which make the North Country a better and safer place to live.

Thank you for placing these articles on your town warrant.

Sincerely,

Ann Morrison, CEO

UPPER CONNECTICUT VALLEY MENTAL HEALTH & VERSHIRE CENTER

1999 FACT SHEET

UPPER CONNECTICUT VALLEY MENTAL HEALTH CENTER:

For many years, Upper Connecticut Valley Mental Health & Developmental Services has provided northern New Hampshire with quality care. We are a private, non-profit agency serving an area that ranges from Pittsburg to Stark, as well as bordering Vermont towns.

We provide mental health emergency services 24 hours a day, counseling, evaluations, drug and alcohol treatment, consultation, education, medication evaluations and treatment and community outreach services. We offer both individual and group treatment. The services we provide are confidential to those receiving them. Fees are charged for all services provided, and most services are covered by most insurance plans. Sliding fee arrangements are available.

We also provide supportive housing services to individuals with disabilities, enabling them to live as independently as possible in their local community.

From July 1998 to June 30, 1999, UCVMH provided 3,115.50 hours of service to 62 Stratford residents:

We average about 50% collection of fees which are charged.

VERSHIRE CENTER

Vershire Center has provided vocational and social training as well as support to individuals with disabilities for the past 25 years. Over 50 individuals from the local geographic area benefit from services. Numerous community employers work closely with the Center to provide meaningful paid work and social opportunities to the individuals we serve.

Presently, Vershire has community sites operating at the Balsams Hotel and Ethan Allen. Individual placements are also associated with over fifty local employers and businesses.

Vershire provides transportation to individuals we serve who reside in Stark, Pittsburg and points in-between and we log over 400 miles each day.

TOWN DONATIONS: (Vershire Center & UCVMH combined)

The amount received from the Town of Stratford 1998: \$ 1,000.00

The amount received from the Town of Stratford in 1999 \$ 1,000.00

The amount requested from the Town of Stratford in 2000 \$1,000.00

We appreciate the support of Stratford voters to allow UCVMH and Vershire Center to continue to provide easily accessible and quality programming to serve residents experiencing mental health problems or who have developmental service needs. For further information please call 237-4955.

**SCHOOL WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District of Stratford qualified to vote in District affairs:

You are hereby notified to meet in the Stratford Public School Gymnasium in said District on Monday, March 13, 2000, at 7:30 o'clock in the evening to act upon the subjects hereinafter mentioned.

1. To hear reports of agents, auditors, committees, or officers heretofore chosen and pass any vote relating thereto.
2. To see if the District will vote to accept the provisions of the Federal and State Lunch Program and to appropriate such funds as may be available to the District under such programs as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same for such programs as it may designate.
3. To set the salaries of school district officials:

School Board Chairman		\$450.00
School Board Members	2 @ \$400.00 each	\$800.00
Treasurer		\$800.00
Clerk		\$ 55.00
Moderator		\$ 55.00
Supervisors of the Checklist	3 @ \$25.00 each	\$ 75.00

(Recommended by the School Board)
4. To see if the District will vote to approve the cost items included in the collective bargaining agreement reached between the Stratford School District and the Stratford Teachers' Association, which calls for the following increases in salaries and benefits:

<u>Year</u>	<u>Estimated Increase</u>
2000-2001	\$47,305.74
2001-2002	\$42,255.70

and further to raise and appropriate the sum of \$47,305.74 for the 2000-2001 fiscal year, such sum representing the additional costs.
(Recommended by the School Board)

5. To see if the District will vote to raise and appropriate the sum of One Million, Seven Hundred Sixty Three Thousand, Three Hundred Thirty Dollars, and Fifty One Cents (\$1,763,330.51) for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment of the statutory obligations of the District.
(This amount does not include any other warrant articles)
(Recommended by the School Board)
6. To transact any other business that may lawfully come before said meeting.

Given under our hands at Stratford this 24th day of February, 2000.

ANNUAL REPORT 98-99 - STRATFORD SPECIAL EDUCATION.XLS

November 16, 1999

Grzelak and Company, P.C.
P.O. Box 8
Laconia, NH 03247

To the Board
Stratford School District
Stratford, New Hampshire

We have audited the accompanying general-purpose financial statements of the Stratford School District as of and for the year ended June 30, 1999, as listed in the table of contents. These general-purpose financial statements are the responsibility of the Stratford School District management. Our responsibility is to express an opinion of these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general-purpose financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Stratford School District as of June 30, 1999, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

The Stratford School District has not presented the disclosures required by Governmental Accounting Standards Board Technical Bulletin 98-1, *Disclosures about Year 2000 Issues*, as amended by Governmental Accounting Standards

Board Technical Bulletin 99-1, that the Governmental Accounting Standards Board has determined are necessary to supplement, although not be a part of, the basic financial statements. In addition, we do not provide assurance that the Stratford School District is or will become year 2000 compliant, that the Stratford School District's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Stratford School District does business are or will become year 2000 compliant.

Our audit was conducted for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The individual and combining fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Stratford School District. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

**STRATFORD SCHOOL DISTRICT
MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS**

The first six months of my tenure as your Superintendent have been busy and I hope productive. A number of initiatives were in progress and needed my attention. We are continuing the transition to the new account classification system. It has taken longer than first expected, but once completed should make future budget preparations faster and easier to understand. I hope the citizens of Stratford will bear with us until this process is complete.

As much as I would like to tell you differently, the school funding question is still not completely settled. The state did reach an agreement on school funding for this year and next, but according to the way the law was written, this agreement expires at the end of next year and the legislature will have to take up the issue again at that time. The same questions remain. What is the fairest method of supporting schools, and what constitutes an adequate education? The good news is that, under the current solution, the school district's portion of Stratford's tax rate this year has decreased.

Over the past several years the Stratford Public School has been the beneficiary of the hard work and dedication of the school staff in securing grants and implementing new and innovative educational programs. These have included the School-to-Work and Community Service Learning programs. Stratford Public School was one of only four school systems statewide that was designated as a Benchmark Community under the initial School-to-Work effort. Stratford is looked upon as a leader in this initiative. As such they are piloting the Competency-Based Transcript and integrating the underlying Cross-Cutting Competencies with Stratford's traditional student assessment methods. Stratford Public School was also selected as one of the initial twenty schools for the Best Schools Program. The two major goals of Best Schools are to increase student achievement and connect local school improvement efforts with local community improvement efforts. To develop and implement these goals, a Best Schools team made up of teachers, school board members, parents, students, and community members was formed. Some of the members attended a weeklong training program this past summer and these members, plus others, have been meeting regularly during the school year, developing goals and objectives. One of the goals already identified is to involve the entire community in the school. I think the Stratford community has a right to be proud of these initiatives and proud of the staff and others who helped develop and implement them.

Respectfully submitted,

Paul V. Partenope
Superintendent of Schools

**STRATFORD SCHOOL DISTRICT
PRINCIPAL'S REPORT
1999-2000**

This has been a year of transitions at the Stratford Public School, beginning with the funding crisis of this past spring that threatened the future of our school. As we struggled to find a solution to funding education in Stratford, our representatives in Concord were fighting a battle of their own. At what seemed like the eleventh hour, Senator Fred King and Representative Dana Landers prevailed upon their colleagues to pass an agreement to "hold harmless" the community of Stratford for the next two years from the effects of the State educational funding formula. With a guarantee of at least two years of State aid, the future of our school now seems much brighter and we can continue to move forward with our various initiatives.

While we waited for relief from Concord for our funding woes, we decided to pursue several projects to improve our school and bring new ideas and services to our students. We were invited to become part of a three-year "Best Schools" program initiated by Governor Shaheen and join with nineteen other communities in developing goals for school improvement. At a weeklong academy held this past summer, our team (which includes teachers, students, parents, and school board members) decided to work to improve our internal and external communication, integrate our school improvement efforts, document our school's successes, and improve student performance. We also were selected as one of four schools to participate in a pilot study of a new form of student transcript based on achieving competency skills rather than grades alone. We will continue to use traditional numerical and letter grades to measure student performance, but we hope that this Competency-Based Transcript will present a more accurate reflection of what students know and can do. Both of these projects have given our students and staff a new set of challenges, but also have earned our school and community special recognition throughout New Hampshire.

Other projects of note include a \$45,000.00 grant to establish a School-Based Health Clinic program that provides us with a full-time school nurse, a weekly clinic staffed by a physician's assistant, mental health counseling services, and plans for limited dental care. Our school is also taking steps to institute Title I reading and math services school wide, making remedial resources available to all of our students. Each of these projects, along with existing programs such as Work-Based Learning, Service Learning, and the Nash Stream and Willow Tree projects, move the Stratford Public School closer to realizing its full potential as a leader in innovative educational programming.

This past year has brought some significant changes in staff. The departure of old friends and the arrival of new ones remind us that change is an inevitable part of our lives. Even so, the sudden loss of Gloria LaCasse and Annette Couture sent us reeling, and we will miss them both deeply and for a long time. Still, our staff remains strong and committed to providing the highest quality of education and services to our students.

I am grateful for the opportunity to serve this year as Principal of the Stratford Public School. This job has brought me new challenges and the potential to grow as an educator. I am also grateful for the patience and support which the students, staff, school board, and community have shown me in this transition year. We still have a long journey ahead of us and it will take a great deal of work to accomplish the goals we have set, but I am excited about being here to share it with you.

Respectfully submitted,

Jon Dugan-Henriksen
Principal

At grade 6 and above, school work is departmentalized so that no student's class is identified with any single teacher.

RIGHTS OF PARENTS OR GUARDIANS

As the parent or guardian of a child who may require or who is receiving special education and/or related services, you have the following rights:

*You have the right to have access to and examine all records relating to your child's education.

*You have a right to receive prior written notice whenever the local education agency proposes to begin or change the special education referral, evaluation and/or education placement of your child. You also have a right to give your written consent before initial special education placement and before any individual evaluation of your child.

*You have a right to question any matter, decision, or recommendation relating to your child's referral, evaluation or educational placement.

*You have the right to request an independent educational evaluation obtained by the local education agency. If your request is accepted, the evaluation will be conducted by a certified or licensed professional examiner who is independent of the local education agency and will be performed at no cost to you. Should your request be denied, you have a right to appeal this decision as described below.

*If you have any complaints regarding the referral, evaluation or educational placement of your child, you have a right to meet with the School Board. If any agreement is unable to be reached, you have the right to an impartial hearing conducted by a state-appointed due process hearing officer.

*At this hearing, you have the right to be assisted by person(s) with special knowledge or training, or by an attorney, and the right to present evidence and confront, cross-examine and compel the attendance of witnesses.

*After this hearing you have the right to a written or electronic verbatim recording of such hearing. You have the right to obtain written findings of fact and the decisions of the hearing at no cost.

*If the decision of the impartial hearings at the local level is not acceptable to you, you have the right to appeal this decision to the State Board of Education or Civil Court.

*During any of the hearing or appeal procedures, your child shall remain in the current education program, or if applying for initial admission to the public school, shall be placed in a regular program until all proceedings have been completed, unless you and the school officials agree otherwise.

**Title IX of the Education Amendments of 1972
Public Law 92-318**

Subpart A, Section 86.8 of Title IX requires public notification that the Stratford District does not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age or handicapping condition under the provisions of Title IV of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; and the Education of All Handicapped Children Act of 1975. The Stratford School District hereby notifies students, parents, employees, and residents that complaints and grievances for noncompliance with any of the provisions of Title IX are to be referred to:

Paul V. Partenope
Title IX Hearing Officer
SAU #58
8 Preble Street
Groveton, NH 03582
Tel. 1-603-636-1437

**Non-Discrimination Policy
Section 504 of the Rehabilitation
Act of 1973**

Applicants for admission and employment, students, parents, employees, sources of referral, and all unions or professional organizations holding collective bargaining or professional agreements with School Administrative Unit No. 58 are hereby notified that the districts of SAU #58 do not discriminate on the basis of race, color, national origin, gender, age, or disability in admission or access to, or treatment or employment in, their programs and activities.

Any person having inquiries regarding the compliance of School Administrative Unit No. 58 with the regulations of implementing Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act is directed to contact:

Patricia A. Eddy
Section 504 Coordinator
SAU #58
8 Preble Street
Groveton, NH 03582
Tel. 1-603-636-2010
